TAGSCast & CrewRelease DateRolesstoryThe ChoiceTrailerULLU As we all know after the internet revolution, the entertainment industry content is growing at a fast pace. Daily new digital streaming platforms work to provide the best content on the internet. The Internet has turned daily life of ours as we totally depend on the internet for doing the various task. From theatre to watching movies on the digital streaming platforms we come far across. Netflix and amazon prime are two major platforms to watch online movies and web series. However, there is another platform as well which has turned our existence upside down. Before the Internet, if you wanted to keep up with the news, you had to walk down to the newsstand when it opened in the morning and buy a local edition reporting what had happened the previous day. But today a click or two is enough to read your local paper and any news source from anywhere in the world, updated up to the minutes. Today we talk about one of the major digital and fastest-growing networks which deliver hot and bold content on the internet. The network is known by the name ULLU. So we look out for What is ULLU, Popular ULLU Webseries list 2021, Plans and how to watch ullu series online and download for free. What Is ULLU App? Ullu is one of India’s fastest-growing adult-oriented OTT platforms. They launched in 2018 and have found a niche following among young men who are starved for affection. Unlike other bigger platforms, ULLU TV is a smaller, more homegrown platform and looks to cater to the heartland, rural India as most of its stories are set in a village setting. Here are the best web series that you can watch right now or download offline on the Ullu app. Each of the shows provided below have a link inside where you can watch the show. You can also browse the actors/directors/genres and see where your interests lie. How to Use ULLU Android Apk to stream series online for free? So, as usual, you get two limited usages to watch ULLU Webseries for free and after that, you have to buy a subscription to get more into it. Look at the Pricing list of ULLU Current plans are: 1 Year: ₹ 198 6 Months: ₹ 144 3 Months: ₹99 5 Days: ₹ 36 The platform is rated A which means it entirely focus on the Bold content which is searched on the internet. Also, the content has some story which engaged people to watch all series as well as they take popular bold actress in the movie. It is this combination and the balance between the two that lead to Ullu’ success. Another reason for its success is the partnership with MX player. MX Player was already popular and they utilised that well to market their shows. This helped in making a lot of people aware of the name Ullu and its content. ULLU Original Webseries 2021 Shivam Khajuria ( Boyfriend ), Babita Anant ( Mother In Law ), Khwahish Matthew ( Bhabhi ), Puja Mukherjee ( Sister In Law ) Ullu Web Series Name List Ullu has a wide range of web series that are catered for an audience of all genres.
